WD8270

80MM Thermal Receipt Printer

WDLINK

Advantages

- Industrialized design, small size, powerful function, multiple interfaces
- With auto cutter, support 80mm large paper roll
- Support voice broadcast function
- Integrated design of key board and main board
- Fully enclosed design of the paper bin, prevents water from flowing onto the main board

Application Scenarios

- Tax
- Storage
- Retail
- Bank
- Catering
- Garment

Specifications

Product Specification:	
Printing method :	Thermal Line
Resolution:	8dots/mm (203 dpi), 576dots/line
Print Speed:	200mm/s (%25 Printing Density)
Paper Width:	0.5±79.5mm
Self-defined Characters:	Yes
Spanish:	24×12 Points
Chinese:	24×24 Dots
Interface:	USB+Ethernet
Support Functions:	Paper Out Alarm, Overheating Protection, Voice Broadcast
Cash Drawer Control:	DC24V, 1A, -6wire RJ11- socket
Power Requirements:	DC24V1.25 ,%10±A, A3-1009-P Power Socket
Paper Type:	Thermal Paper 79.5 × φ80mm (MAX)
Paper Thickness:	0.06mm~0.08mm
Appearance Size:	165mm × 120mm × 119mm (L × W × H)
Operating Temp/Humidity:	°5C ~ °50C / %10 ~ %90
Storage Temp/Humidity:	°20−C ~ °60C / %10 ~ %90
Maximum Outer Diameter:	80mm
Minimum Inner Diameter:	13mm
